Commissioner of Patents and Trademarks

The reply filed on 3/24/03 is not fully responsive to the prior Office Action because: it fails to elect a single species of fan mounting arrangement, a single species of attachment clip arrangement, and a single disclosed species of assembly means for prosecution on the merits. The Election requirement clearly indicated that such an election was necessary for a complete response regardless of applicant's traversal of the requirement.

Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
